To whom it may concern

I confirm that WWISE assisted Rendeals Four Consulting in the development and implementation of ISO 9001:2008 QMS for accreditation.

Their work included audits and awareness trainings through which they delivered with integrity, consistency and dedication. Our working relationship with them has been a major factor on the success of our ISO 9001:2008 recent accreditation with SABS.

I can confidently recommend WWISE as a solid and reliable consultant, and experts in their field.

Yours truly
