To Whom It May Concern

RE: LETTER OF REFERENCE

This letter serves to confirm that in order to obtain ISO27001 certification, VATit Processing (Pty) Ltd utilized the services of World Wide Industrial and System Engineers (WWISE).

Without the assistance and expert guidance of WWISE we would not have obtained our ISO27001 certification. Their employees went above and beyond in ensuring that our processes were documented and that we were prepared for our external audits. We were very satisfied with the level of professionalism and the quality of work delivered by WWISE.

We would highly recommend WWISE's services to any other company that requires assistance in obtaining their ISO27001 certification.

Yours faithfully
